

AS2025 Registration

How-to guide

Online registration available
February 6 through March 21, 2025

Before you begin

AS2025 has a new registration site so it's important to have everything you need ahead of time so you can breeze through the process once you start. Here is a quick list of everything you might need to help you register quickly and efficiently.

- All registrants (including youth) must have their own email address.
Note: Emails for all adult attendees will be used for app registration.
- All adults registering will need name, email, company and title.
- You will need to know if the attendee needs 1 or 2 single day lift tickets, or if they need a mountain pass to access the gondola.
- If you are registering a youth you will need a separate email for them and their age.
Note: If you don't have a valid email address you may make up one to register. You won't get a confirmation email but you can check-in your child using their name.
- If you would like to purchase extra single day lift tickets you can add that pass and enter the quantity. **Note: Payment required at checkout. All tickets are non-refundable. No lift tickets will be sold on-site.**

Note: *If your guest is still a "maybe," you may want to wait to register until closer to the deadline.*

Tip: *If you are registering for others, you might want to register in chunks of 4 or 5 so the process isn't overwhelming.*
